

Brenau University
3rd Annual Research Symposium

Call for Abstracts

Friday, April 11, 2014
Brenau East | 1001 Chestnut Street SE | Gainesville, GA 30501
1:00 – 5:00 pm
Deadline: February 12, 2014

Brenau University will hold its Research Symposium on Friday **April 11, 2014**. The Research Symposium schedule includes keynote speakers, concurrent oral presentations, and poster sessions. The Symposium Steering Committee is accepting abstracts focused on research and scholarship, either completed or in progress. The deadline for abstract submission is **February 12, 2014**. Please follow APA format when completing the abstract.

Abstract submission guidelines

- Submit an abstract: Title, Authors(s), and College/School/Department as you would like it to appear in the event program.
- Use the template on the following page with structured abstract headings, including the following (limit to 250 words):
 - Introduction
 - Purpose (May also include specific aims, research questions, hypotheses, or PICO, as appropriate)
 - Methodology: design, sample, measurement
 - Major findings/results, if applicable, or expected outcomes
 - Conclusions
- Abstracts will be peer-reviewed. Accepted abstracts will be assigned either an oral or poster presentation by the committee. This may be a problem for faculty who want to put a definite assignment in the course syllabus.
- Only 1 submission as primary author per person; multiple submissions as a team member are acceptable.
- Presenters must be Brenau University faculty or student(s).
- Student abstract submissions **MUST** go through faculty supervisor.
- Deadline is **February 12, 2014**.
- **Faculty supervisors: Submit your student abstracts to Kimberly Dean at kclark3@brenau.edu. Faculty submission indicates faculty approval.**
