

New Trends in Social & Digital Marketing

Tuesday, APRIL 23

8:30 am - 11:30 am | Brenau Downtown Center

in the THEATER at the

We live in a digital world, where people turn to everything from social media to voice search to find what they need. Join the Forum Communications team as they discuss the latest digital and social marketing and share proven strategies and tactics to grow your local business. Forum Communications is full service strategic marketing agency offering everything from graphic design and website development to digital marketing, branding and creative communications. They focus on helping businesses and nonprofits build strategies to create their voices in a crowded marketplace. forumspeaks.com
