

# BRENAU WELLNESS PROGRAM

Brenau’s Wellness Program, funded by Cigna, is designed to support healthy behavior in the workplace and to improve health outcomes. The program includes activities during the year which relate to being “healthy,” whether it be physical, mental, financial, social, or emotional health. **Employees receive points and/or cash rewards for each activity in which they participate.** Points are added to the **Activity Tracker**, maintained by HR. At the end of the calendar year, names will be drawn from those who have accumulated Activity Tracker points; the more points you accumulate, the greater chance you have of winning **cash prizes**.

Employees can check their Activity Points by following this path: ADP > Resources > Company Information > Forms Library > Wellness Participation Activity Tracker. The list above is a general outline of the year’s activities. Brenau has the right to add or remove an activity at any time. **\* Signifies that the employee must be a Brenau Cigna Member to collect Cigna Rewards. Maximum award is \$200 per employee, per year. All other activities listed can be awarded regardless of health insurance coverage.** Employees can go to [www.mycigna.com](http://www.mycigna.com) to redeem gift cards.
